

Rescheduled Public Exhibition Invitation, Bloor Homes – South Melton

As you will be aware, due to poor weather conditions on Tuesday 19 November 2024, we unfortunately had to postpone our Public Exhibition for Bloor Homes – South Melton.

We would like to invite you to our rescheduled Public Exhibition on Tuesday 3 December 2024.

Bloor Homes is preparing a proposal for residential development to support the delivery of the western area of the Melton South Sustainable Neighbourhood (MSSN), which is allocated in the Melton Development Plan. We are still in the early design stage, but our proposals seek to provide:

Up to 1,000 new homes, including affordable homes

Retained landscape features alongside new public open space

Retained and new pedestrian access

New vehicular access.

Come along to learn more about the proposals and work prepared so far, talk to the project team and give your views.

Date: Tuesday 3 December 2024

Time: 3pm-7pm

Location: The Edge, Dalby Road, Melton Mowbray, LE13 0BQ

We are looking forward to hearing your views and feedback.

Bloor Homes has over 50 years' experience in building high quality new homes, in developments that both create attractive places to live and respect the surrounding existing communities and landscapes. A key part of designing a successful scheme is ensuring that there are opportunities for the local community to consider and provide feedback on early-stage designs.

Due to the rescheduled date, we are extending our consultation feedback period. The period for providing your comments will close on **Sunday 8 December 2024 at midnight**. Our consultation materials are available to view on our website alongside an online feedback form.
